

Add value to
timber products

Demonstrate
due diligence

Meet regulatory
requirements

Boost your reputation

Commitment to
sustainable forestry

Manage your
legal exposure

Promote your

FORESTRY & TIMBER CREDENTIALS

Publicly display your commitment to sustainability in the forestry and timber industries with certification to:

- AS 4708 – Australian Forestry Standard (AFS) for sustainable forest management in Australia and around the world
- AS 4707 – Chain of Custody Standard (COC) for timber from sustainably managed forests
- Plantation Timber Certification (PTC) for structural softwood products
- Forestry Stewardship Council (FSC) and AFS integrated certification
- Ecolabel – Product certification for environmentally conscious manufacturers
- Australian Wood Packaging Certification Scheme (AWPCS) to prevent the pathway of pests across international borders
- ISO 14001 – Environmental management
